Dear IEEE Milestone Administrator,

The Heinz Nixdorf MuseumsForum (HNF) agrees to host the proposed IEEE Milestone plaque(s) commemorating "Special Citation in History: Heinz Nixdorf MuseumsForum" and to permit the plaque to be installed at Heinz Nixdorf MuseumsForum, Fürstenallee 7, D-33102 Paderborn, Germany in a place where the plaque will be viewable by the public. The plaque should be mounted directly in the public lobby of the museum.

The plaque, which will be bronze, will be 12 inches x 18 inches, and carry a citation in English, the official language of IEEE, describing the technical achievement being recognized as a milestone.

The cost of installation will be borne by the IEEE organizational unit sponsoring the milestone, and the plaque will remain the property of IEEE. Should the plaque need to be removed for reasons such as building renovation, the HNF will notify the IEEE History Center so that IEEE can make arrangements for the care of the plaque.

HNF is also prepared to invite up to two persons to attend the presentation of the award.

Sincerely,

Dr. Jochen Viehoff
