Application of the Karlsruhe Institute of Technology for IEEE Milestone Liquid Crystals

Dear Ladies and Gentlemen:

The IEEE Germany Section readily agrees with and fully supports the nomination and proposal by Dieter A. Mlynski and Peter M. Knoll for the IEEE Historic Milestone "First Exploration and Proof of Liquid Crystals, 1889" by Otto Lehmann in Karlsruhe.

Moreover the IEEE Germany Section accepts the financial responsibility for the plaque, monitoring the plaque and arranging the dedication ceremony.

Best regards,

Jens Haubrock
Chairman Germany Section
