

Date: 21<sup>th</sup> April 2021

**Attention: Milestone Administrator**

The IEEE UK and Ireland Section, as part of Region 8, is very pleased to support this nomination by Prof Peter Grant and Professor Charles Turner for a historical plaque to commemorate “Randall and Boot’s development of the Cavity Magnetron”.

If the nomination is successfully approved, this Section will be pleased to pay for fabrication and transport of the plaque to the UK and to arranging a small commemorative meeting at the formal installation.

Please contact me if you require further information.

Yours Faithfully,

**Dr Mona Ghassemian**

Section Chair, IEEE UK and Ireland
