

Presidente *Prof. Ing. Massimo Ceraolo*

**to Whom it may concern**

As Chairman of the School of Engineering of the University of Pisa, I am proud that IEEE is evaluating recognition of the Antonio Pacinotti's work as an IEEE Milestone in Electrical Engineering and Computing.

On behalf of the School I agree that, in case of positive decision, the corresponding IEEE plaque be placed on one of the school's public corridors, preferably beside the existing Pacinotti's bas-relief.

Pisa, 4<sup>th</sup> of August 2016

Prof. Massimo Ceraolo  
Chairman of the School of Engineering  
of the University of Pisa
